NATIONAL CRISIS MANAGEMENT COMMISSION

DECISION no. 10
of 2 October 2026

Pursuant to Article 29(4), Articles 31, 32, 34 and 35 of Law No. 248/2025 on Crisis Management (Official Gazette of the Republic of Moldova, 2025, No. 437-440, Art. 600), as subsequently amended, in implementation of Parliament Decision No. 222/2026 on the declaration of a state of emergency in the energy and hydrological sectors, having regard to the powers established by the Regulation on the Organisation and Functioning of the National Crisis Management Commission, approved by Government Decision No. 346/2026 (Official Gazette of the Republic of Moldova, 2026, No. 301-304, Art. 369), taking into account the imminent risk of disruption of water supply to the population, of the functioning of essential services and of the protection of aquatic ecosystems, as well as the need to ensure an adequate ecological flow, with a view to establishing special measures of a temporary nature, necessary and proportionate to the severity of the state of emergency declared, and with a view to implementing and supplementing the measures ordered by Decision No. 9 of the National Crisis Management Commission of 25 September 2026, the National Crisis Management Commission

DECIDES:

1. The Material Reserves Agency, subordinated to the Ministry of Internal Affairs, shall release on loan material goods from the state reserves to JSC “Apă-Canal Chișinău” for the duration of the state of emergency, with exemption from the obligation to submit a bank or financial guarantee and to pay the loan fee, under the conditions of Articles 10 and 16 of Law No. 104/2020 on State and Mobilisation Reserves, in accordance with the Annex.

2. JSC “Apă-Canal Chișinău” shall return the material goods released under item 1 under the conditions of Article 11(3) and Article 17(3) of Law No. 104/2020 on State and Mobilisation Reserves.

3. The Material Reserves Agency, together with the Ministry of Environment and JSC “Apă-Canal Chișinău”, shall set up the handover commission and shall ensure the handover and acceptance of the material goods listed in the Annex.

4. Control over the implementation of this Decision shall be entrusted to the Ministry of Internal Affairs and the Ministry of Environment.

5. This Decision shall be binding on all public authorities, institutions and the water operator concerned and shall enter into force on the date of its adoption.
